- The cardholder has outstanding card debts towards the Bank.

### XIV. Card security rules

- In case the card's mandatory requisites envisage the presence of Client's signature in the appropriate part of the card, the Customer must sign in the field of signature on the opposite side of the card while receiving it.
- The card should be kept in a safe place, away from other people, humidity, high and low temperature and strong magnetic field. Mechanical damages or excessive bending should be avoided.
- The card must be kept inaccessible to third parties. It is not allowed to give the Card and / or PIN code to third parties for the purpose of making payments.
- PIN code shall be kept secret and it is not allowed to disclose or make it accessible to third parties. Do not keep PIN code in a wallet. Only the customer should know PIN code. The cardholder is the only person who knows the PIN code.

- After memorizing PIN code written in the envelope we recommend you to destroy the envelope.
- While making transaction and entering the wrong PIN code for three (3) times successively, the card will be blocked, it may be confiscated as well and the customer won't be able to use the account until the latter applies to the Bank in written to unlock the card.
- In case of card loss or theft the customer must immediately inform the Bank by phone call (+37410530761 or +37496012816), based on which the Bank blocks the card account to ensure the safety of monetary funds available on the account. The card is unblocked upon the Customer's application.
- In case of card theft it is recommended to inform law enforcement bodies as well and submit the evidence to the bank which will serve as a base to provide law enforcement bodies with the information on attempts of illegal use of the card upon the latters' request.
- While entering PIN code in the presence of third parties or cameras the customer should be careful not to disclose the PIN code to third parties. In the evening hours it is preferable to use ATMs located in well-lighted and public places to avoid card theft. The customer should not provide third parties with PIN code or let them make transactions instead of him/her.
- The customer should be careful not to forget to withdraw the money and the card from the ATM, if the card is not taken, a signal may sound after which the card may be swallowed by the ATM.
- The customer should be careful not to forget to withdraw the money and the card from the ATM, if the card is not taken, a signal may sound after which the card may be absorbed by the ATM.
- In case of confiscation of the card, the customer should apply to the Bank to receive it. The bank provides the payment card to the customer within 10 working days.
- In case of noticing additional devices, wires, adhesive tapes and other suspicious means attached to the ATM, its keyboard or card reading devices, the Customer should refuse to execute transactions immediately notifying the Bank thereof.
- It is recommended to make card purchases only from well-known and reliable trade outlets. The Customer should not send his/her card details (card number, expiry date, etc.) by e-mail to third parties.
- In trade outlets the Customer should show and give the card only to the cashier. While executing transaction the customer should keep the card within his/her eyeshot and should not allow the cashier take the card away from the service center.
- While making transactions via POS terminals in trade and service outlets you should be provided with two receipts, and by the cashier's request one of the receipts must be signed by the cardholder. In some outlets transactions are made via manual printers and the necessary information is written down by a cashier. In this case the document should be made in 3 copies. Before signing the document, be sure that the amount of money from the purchase, received service or the value of cash coincides with the amount indicated on the cheque. Never sign the document, if the amount of money is not pointed on it.
- Cardholder must get his/her copy of the receipt and keep it.
- Do not enter the PIN code while making online purchases. It is necessary to keep all the documents and receipts connected with the internet transaction. Be sure that the sending of information about the card is encrypted. Check, whether he address of the website (URL) of the particular outlet starts with https://index. At the same time, at the ridge of the browser should appear the image in visage of closed lock.
- Be aware of a message received by E-mail address, which contains attached files or unknown website addresses. It can endanger the revelation of important and secret information by the help of computer virus or other infected software.

- Install the latest versions of anti-virus and anti-hacking programs in your computer and update their databases on time. It is also necessary to update other programs of your computer periodically.
- Never answer the questions through e-mail, which contain information on cardholder personal details. If you are required to inform your bank code (don't confuse it with PIN code), passport number or other similar information by phone or by other means of communication, don't inform anything, unless you are sure in legality of the request.
- Be aware of false web site addresses bearing close resemblance to the web site or the e-mail address of a corporate entity, which will likely mislead you.
- Do not close the browser window only. To exit the web site follow the appropriate instructions, otherwise someone else may have access to that site.
- Avoid making financial transactions in joint outlets, which offer services by internet (Internet-cafe, etc). They may have special software which can register cardholder's actions and reveal all the details typed through the keyboard of the computer.
- ArCa 3-D Secure, MasterCard® SecureCode and Verified by Visa® (VbV) systems are available in Internet outlets to enhance the security of card transactions. These systems offer the modern level of security for the transactions made by ArCa, MasterCard and Visa cards, based on sending SMS messages to cardholder with a code for a single use. Every time cardholder make a transaction in trade outlets, using the aforementioned systems, he/she will receive SMS message with a code for one use only, which should be immediately entered in the appropriate place, otherwise the transactions will be declined. Moreover, cardholder must not provide third parties with the code, and in case of the absence of mobile phone number or its change, cardholder should apply to the bank personally. In exceptional cases, if the bank permits, cardholder can notify the Bank by other means of communication based on the written application.
- While using ATM situated in a closed area, the access of third parties should be banned. Card reader devices having access to ATMs and located in aforementioned areas, should not require cardholder's PIN code. If you accidentally enter the PIN on the mentioned device, you should immediately block the card and apply to the Bank.
- If the transaction is terminated by cardholder or an error occurs during termination, the cardholder must require to immediately destroy the cashier's copy of document in his/her presence. Cardholder's copy must be kept, which will allow to dispute the particular transaction in short term, in case of deceit by cashier, and unfreeze cardholder's money related to terminated transaction.
- If you return purchase, paid by card, require and keep the appropriate document from the outlet. The document must contain all the details on terminated transaction (card number, initial date of transaction, verification code, returned cash).

## XV. Card account closing terms and conditions:

A year is 365 days.

$$APY = (1 + r/n)^n - 1$$

Where;

- 1) APY annual percentage yield
- 2) r annual rate of simple interest
- 3) n- periodicity of interest capitalization in a year

<sup>\*</sup> The annual percentage yield of deposit is calculated based on the procedure stated by the Central Bank of RA with the following formula:

ATTENTION: INTERESTS ON YOUR DEPOSIT ARE CALCULATED BASED ON THE NOMINAL INTEREST RATE AND THE ANNUAL PERCENTAGE YIELD SHOWS THE INCOME YOU WOULD REALIZE, IF YOU WOULD HAVE ADDED THE RECEIVED DEPOSIT INTERESTS TO THE DEPOSIT. YOU WILL FIND THE ORDER OF CALCULATING THE ANNUAL PERCENTAGE YIELD ON www.aeb.am.

VIII. Interests accrued on the balances of the cards are capitalized monthly.

IX. Interests are accrued daily on the balances of the cards, as well as on the added amount balance, and on the capitalized amounts

X. The Bank is entitled to amend the size of interests paid for the monetary funds available on the card account, unless otherwise defined by the Agreement.

XI. The Bank is entitled to amend the size of interests paid for the monetary funds available on the card account, unless otherwise defined by the Agreement.

XII. There is no limit in the minimum initial amount for card opening. Interest paid against card accounts is subject to taxation with income tax under tax legislation of RA.

XIII. The documents to be provided by the customer for card opening

XIII-1 Passport

XIII-2 Document containing public services number or reference about not-receiving public services number.

XIV. With periodicity of at least 30 days the Bank provides the customer with the account statement, except the cases when no debiting or crediting to such account occur within the reporting period.

XV. In case of card loss or/theft, the customer must immediately inform the ArCa processing center by calling 59-22-22 number or apply to the Bank to block the card. Afterwards the customer applies to the Bank for receiving a new card.

XVI. Should the negotiations fail to settle the disputes and disagreements between the Bank and the customer, the latter can apply to the court or the Financial system mediator.

XVII. The customer's right to manage the account and monetary funds available on it may be limited in the cases prescribed by the law - court decision, ban on the account based on the decision (hard copy or electronically) of the tax or other authorities of Compulsory Enforcement Service

XVIII. Cash facilities available on the account may be written off without the customers consent in the cases prescribed by the law-court decision, based on the decision (hard copy or electronically) of the authorities of Compulsory Enforcement Service or in the cases stipulated by the Agreement signed by and between the Bank and the customer.

XIX. Deposits are guaranteed pursuant to the Armenian Law on Guaranteeing the Recovery of Deposits of Individuals. Deposits are guaranteed as follows:

- In case of deposits in Armenian drams, the deposit is guaranteed for AMD 10 mln.
- In case of deposits in foreign currency, the deposit is guaranteed for AMD 5.0 mln
- In case of deposits both in Armenian drams and in foreign currency: if AMD deposit exceeds AMD 5.0 mln, only the AMD deposit is guaranteed for AMD 10 mln:
- In case of deposits both in Armenian drams and in foreign currency: if AMD deposit is smaller than AMD 5.0 mln, the AMD deposit is guaranteed in full and the foreign currency and the foreign currency is guaranteed for the balance of AMD 5.0 mln and recovered AMD deposit.
