I. This information bulletin regulates the terms of provision and maintenance of payment cards issued by the Bank.

II. Payment card: The magnetic, chip, hybrid (combined) or digitized (tokenized) card of the Bank which, in compliance with the rules of the payment and settlement systems, enables the cardholder to execute transactions, cashless payments, receive funds from the account and add money to the card account within the period of its validity.

Additional card: a card of the same/ other payment system attached to the operating card account issued for the same client.

Attached card - a card attached to the acting card account provided to the person specified by the client.

III. Payment Card Issuance - The card is issued upon submission of the required documents by the Client to the Bank and is provided to the Client within maximum 5 banking days. The card is activated within one banking day. If the card is provided without PIN code, the one-time password for the activation of the PIN code is provided to the client via SMS which entering into the relevant field of the ATM the client activates both the card and selects a new PIN.

IV. The bank issues both debit and payment cards, particularly:

a. Debit - ArCa social

b. Payment - ArCa CLASSIC, ArCa CLASSIC MIR, ArCa BUSINESS, MASTERCARD GOLD, MASTERCARD STANDARD, MasterCard ARMEC'S GOLD, MasterCard ARMEC'S STANDARD, VISA INFINITE, VISA PLATINUM, VISA GOLD, VISA BUSINESS, VISA CLASSIC, moreover, legal entities and private entrepreneurs are provided only with ArCa BUSINESS or VISA BUSINESS cards.

V. Transactions in a currency different from the currency of the card account are calculated in the rates defined by the Bank for the sale and purchase of the appropriate currency as of the date of the transaction, due to which the Bank shall not bear any responsibility for the differences in the transaction amount.

VI. Obligations and rights of the bank

The bank is obliged to:

- To secure Card service according to the rules adopted by respective payment systems for the given card type
- Provide the cardholder with account statements in the order and cases prescribed by the Terms and Conditions.
- To block the card after the notification of card loss or theft from the client.
- Keep banking secrecy regarding the cardholder according to RA Legislation and agreement

The Bank is eligible to:

- Reject card transactions, if the requested amount exceeds the Payment limit on the Card of the cardholder.
- Apply restrictions in the cases and manner prescribed by the RA legislation on account funds based on judgments, enforcement and decisions of tax authorities.
- Charge the fees set by the tariffs from the card account without prior notice, offset receivables, credit and other monetary liabilities to the Bank.

The cardholder is obliged to:

- Pay all fees and penalties related to service of the Card or card account set by the Tariffs and rates.
- Return the card to the Bank within 5 business days in case of card termination. Should the cardholder fail to return the card after submitting an application on the closure of the account, the latter bears the risk of false transactions made by the card as well as must compensate the card in international Stop List at fees set by the Bank's tariffs.
- In case of loss of the card or attached cards and/or in case the PIN code becomes available to third parties or in case of having such suspicions immediately notify the Bank thereon for blocking the card.
- Present identity card at the request of the servicing employee.
- Not to pass the card or attached cards and the PIN code to third parties.
- To notify the Bank about the changes in identity document, phone number, place of work, residence and other information previously provided to the Bank within 3 business days.

- If there are special (preferential) tariffs for the card (those cards that are issued and serviced through a partnership with the Bank for salary, scholarship or other payments) pay special (preferential) tariffs agreed between the Bank and the partner organization unless otherwise agreed, in the event of termination of the Bank's partnership with that entity or card payments from the customer's partner organization are terminated, preferential Tariffs are terminated and the Customer is obliged to pay in accordance with the Tariffs.

The customer is eligible to:

- Get cash from ATMs and cash points or make non-cash payments within payment limits of his/her card account.
- Apply to the Bank to get more than one card, attached cards submitting an application to the Bank and paying fees set forth by the Tariffs.
- Order and receive a new card/ attached cards instead of expired, damaged, lost ones.
- Credit amounts to his/her card account with cash or cashless
- Receive account statements in the order, cases and periodicity set forth by the Terms.

ATTENTION! YOU HAVE THE RIGHT TO COMMUNICATE WITH THE FINANCIAL INSTITUTION THROUGH THE MEANS OF COMMUNICATION YOU PREFER, BY MAIL OR ELECTRONICALLY. RECEIVING INFORMATION ELECTRONICALLY IS THE MOST CONVENIENT. IT IS AVAILABLE 24/7, ELIMINATES THE RISK OF LOSING PAPER INFORMATION AND PROVIDES PRIVACY.

- Receive short message (SMS) on each transaction executed through the account, in case of using that service.
- Appeal card transactions in the manner and within the timeframe set forth in the Terms.

VIII. Liability

- The Bank does not bear a responsibility for losses caused to the clients' card account due to withdrawal of funds without the latter's order, if these funds were withdrawn by the identified Client or his representative or as a result of the use of the Client's identification data, as well as in other cases defined by RA legislation or the Terms.
- The Bank does not bear responsibility for the losses caused to the Customer's card account due to withdrawal of funds without the latter's order, if those funds were withdrawn as a result of the Client's intention or carelessness, as a result of fraud or any other form of falsification, as a result of the Client's identification data becoming known and used by third parties.
- The Bank does not bear responsibility for the transactions executed by third parties as a result of card loss or theft, except the cases when monetary funds have been withdrawn from the account as a result of the card not being blocked by the Bank after the Customer's notification on card loss or theft.

IX. Card blocking and unblocking terms and conditions

- The Bank blocks the card if the customer is informed about the loss or theft of the card/PIN code and after discovering the transactions made with the card not performed by Cardholder.
- The Bank also blocks the card in cases of non-fulfillment of the Client's obligations to the Bank, restrictions applied to the Account according to RA legislation and Terms.
- The Bank unblocks the card after the grounds for blocking are removed, within one banking day after the Client applies to the Bank for unblocking and pays the fees specified for unblocking with Tariffs.
- The card may be blocked by the bank in case when suspicious transactions have been made with the card and contact with the customer cannot be made. In the event that, in accordance with the rules of payment settlement organizations, transactions with lower limits are carried out with the card and there is no possibility to contact the customer, the Bank's employees are authorized to enter the said cards into the international STOP LIST and charge commission fees determined by the Bank's tariffs and rates from the customer's card account or other accounts.
- If the payment card has an unpaid annual service fee/and/or receivables for three months or more, the Bank has the right to close /block/ the card without notifying the customer, after which it can be reopened /unblocked/ only after the above-mentioned debts have been repaid.

- The bank may refuse to unblock the card, if the blocking of the card is the result of restrictions placed on the card or card account in accordance with the law, the fee set for unblocking the card has not been paid, or the unblocking of the card may lead to financial losses that cannot be covered by the funds available on the given card account.

X. Procedure and deadlines for customer's appeal of card operation.

- The customer can appeal transactions made on the Card account or specific transaction by submitting an application to the Bank or submit complaint defined by the Bank/hereinafter: Complaint/.
- Upon acceptance of the complaint submitted by the client, the client is provided with a certificate of receipt or a copy of the complaint with the signature of the Bank employee on receipt of the complaint.
- The Bank discusses the complaint and provides an answer within 10 working days after the Complaint is received by the Bank.
- If the Customer submits the complaint within 15 days of receiving the statement/notifying about the complained transaction, the Bank may satisfy the Customer's complaint within 90 days of receiving the Customer's complaint if there is evidence that the transaction was made without the use of the Customer's identification or identification data. not the Customer's fault, including the fact that the transaction was not executed as a result of the Client's intention or carelessness, fraud or any other form of falsification, as a result

XI. Order, conditions and terms of card re-issuance

The Bank reissues the card without the cardholder's additional application within 15 days before the expiry of the card unless:

- The client could not be contacted until then.
- The cardholder has rejected the Bank's offer to reissue the card,
- The cardholder applied to the Bank beforehand (at least 30 days before the expiry of the card) to close the bank account(reissue the card),

- No transactions has been made for 365 days preceding the end of the validity period of the card and the account balance is less than AMD 50,000 or its equivalence in foreign currency,
- The client has unfulfilled obligations towards the Bank.

XII. Card security rules

- In case the card's mandatory requisites envisage the presence of Client's signature in the appropriate part of the card, the Customer must sign in the field of signature on the opposite side of the card while receiving it.
- The card should be kept away from humidity, high and low temperature and strong magnetic field. Mechanical damages or excessive bending should be avoided.
- The Card must be inaccessible for third parties. It is not allowed to give the Card and / or PIN code to third parties for the purpose of making payments.
- PIN code shall be kept secret and it is not allowed to disclose or make it accessible to third parties. Do not keep PIN code in the wallet. Only the client should know PIN code.
- After memorizing PIN code written in the envelope it is recommended to destroy for not becoming available to third parties.
- While making transaction and entering the wrong PIN code for three (3) times, the card is blocked automatically it may be confiscated as well and the customer won't be able to use the account until the latter applies to the Bank in written to unlock the card.
- In case of card loss or theft the customer must immediately inform the Bank by phone call (+37410530761 or +37496012816), based on which the Bank blocks the card account to ensure the safety of Monetary funds available on the account and the unblocking of the card is made upon the Customer's application.
- In case of card theft it is recommended to inform law enforcement bodies as well and submit the evidence to the bank to provide law enforcement bodies with the information on attempts of illegal use of the card upon the latter's request.
- While entering PIN code in the presence of third parties or cameras the customer should be careful not to disclose the PIN code to third parties. In the evening hours it is preferable to use ATMs located in well-lighted and public places to avoid card theft. The customer should not provide third parties with PIN code or let them make transactions instead of him/her.
- The customer should be careful and not forget to take the money and the card from an ATM. In case of not taking the card, a signal may sound and a few seconds later the card may be swallowed by the ATM.
- In case of confiscation of the card by an ATM, the customer shall apply to the Bank to get it back. The bank provides the card to the Customer within 10 business days.
- In case of noticing additional devices, wires, adhesive tapes and other suspicious means attached to the ATM, its keyboard or card reading devices, the Customer should refuse to execute transactions immediately notifying the Bank thereon.
- It is recommended to make card purchases only from well-known and reliable trade outlets. The Client should not send his/her card details (card number, expiry date, etc.) by e-mail to third parties.
- In trade outlets the Client should show and give the card only to the cashier. While executing transaction the customer should keep the card within his/her eyeshot and should not allow the cashier to take the card away from the service center.
- While making transactions via POS terminals in trade and service outlets two receipts are printed, and by the cashier's request one of these receipts must be signed by the Customer. In some outlets transactions are made via manual printers and the necessary information is written down by a cashier. In this case the document is made in 3 copies. Before signing the document, the customer must be sure that the amount of money from the purchase, received service or the value of cash, coincides with the amount indicated on the receipt. One should never sign the document, if the amount of money is not pointed on it.
- The client is recommended to get his/her copy of receipts of his/her transactions and keep it.
- Do not enter the PIN code while making online purchases. It is necessary to keep all the documents and receipts connected with the internet transaction. Be sure that the sending of information about the card is encrypted. Check, whether the address of the website (URL) of the particular outlet starts with https:// index. At the same time, at the ridge of the browser should appear the image in visage of closed lock.
- Beware of a message received by E-mail address, which contains attached files or unknown Web Page addresses. It can endanger the revelation of important and secret information by the help of computer virus or other infected software.
- It is necessary to install anti-virus and anti-hacker programs on the computer, update their databases on time and carry out the installation of periodic updates of other programs on the computer.
- You should not respond to such requests by e-mail that refer to the client's personal data. If a bank password (not to be confused with a PIN), passport number or other similar information is requested by phone or other means of communication, it is necessary to answer only after gaining full confidence in the legitimacy of the request.
- It is necessary to beware of such addresses that look like fake, but legitimate companies' Web pages or e-mails, which may actually lead to a fraudulent address.
- To close a Web page correctly, it is often not enough to just close the browser window, but you must follow the appropriate instructions to leave the given page, otherwise another person may have the opportunity to access it after the client.
- It is necessary to avoid performing financial operations at common use points providing Internet services (Internet cafes, etc.). Special programs may be installed in them which can record all actions of the client and reveal the data that will be collected through computer keyboard.
- ArCa 3-D Secure, MasterCard® SecureCode™ and Verified by Visa® (VbV) systems operate in order to increase the security of card operations in Internet trading points, which provide a modern level of security for operations performed with ArCa, MasterCard and Visa cards in trading points that are members of these systems: based on one-time passwords sent to the customer via SMS messages. At the trading points that are members of the mentioned systems, for each operation, a one-time password will be sent to the customer's mobile phone at the customer's request, which must be entered immediately in the special field for confirmation of the operation, otherwise the operation will be rejected. Moreover, the client must not disclose the password to other persons, and in the absence of a mobile phone number or its change, he/she must inform the Bank about it personally, and in exceptional cases, with the Bank's agreement, also through other means of communication based on a written application submitted to the Bank.
- When using an ATM located in a closed area, you should not allow access to unknown persons. Card-reading devices allowing access to the ATM located in the specified area should not require entering a PIN. In case of accidentally entering the PIN in the specified device, it is necessary to immediately block the card and apply to the Bank.
- The cardholder must immediately destroy the seller's copy of the document regarding the wrongly formulated or refused transaction in his/her presence and take the customer's copy with him. This will allow faster unfreezing of the client's funds for the refused transaction, and in the case of fraud by the seller, to appeal the operation in the shortest possible time.
- In case of a return of a product paid by card, an appropriate document must be requested and kept from the point of sale, which should contain the data of the cancelled transaction (card number, date of initial operation, certification code, refund amount).

XIII. Card account closing terms and conditions

- The account is closed at any time by the customer's request.
- The account may be closed by the Bank in following cases:

- when the amount of funds held in a customer's account is less than the minimum amount specified in the Tariffs for that account, unless such amount has been recovered within one month of the date of the bank's notice;
 - in case of absence of operations with the given card within a year,
 - In case of closing the account, the balance of the funds available on the account shall be given to the customer or transferred to another account upon his/her instruction, not later than within seven days after receiving the relevant written request from the client.
- XIV.** Annual interest rate is calculated for funds available on card accounts, in which case 0% Annual Interest Yield* is calculated (interest rates are calculated assuming 365 days in a year). Interest rates are calculated assuming a year of 365 days, a leap year of 366 days. The annual interest calculated on the positive balance of the card account is calculated until the expiry of the validity period of the payment card. The annual interest calculated on the positive balance of the card account is applied if the average monthly amount of the payment card exceeds AMD1,000,000 (one million) 0%.

*The annual percentage yield of deposit is calculated based on the procedure stated by the Central Bank of RA with the following formula:

$$APY=(1+r/n)^n-1$$

where:

APY – annual percentage yield

r – annual simple interest rate

n – periodicity of interest capitalization in a year

ATTENTION: INTERESTS ON YOUR DEPOSIT ARE CALCULATED BASED ON THE NOMINAL INTEREST RATE AND THE ANNUAL PERCENTAGE YIELD SHOWS THE INCOME YOU WOULD REALIZE, IF YOU WOULD HAVE ADDED THE RECEIVED DEPOSIT INTERESTS TO THE DEPOSIT. YOU WILL FIND THE ORDER OF

XV. Interest on card account balances is capitalized each month.

Interest is accrued on the balance of the amount in the card account, as well as on the balance of the added amount and capitalized interest on a daily basis.

The bank has the right to change the amount of interest paid for positive funds in the card account, unless otherwise stipulated in the contract.

XVI. In case of disputes arising from the agreement, the cardholder applies to the bank in written and the cardholder is given an answer to the application within 10 working days. In case of disagreement with the answer, the cardholder has a right to apply to the court or the Financial System Mediator in accordance with the law.

XVII. There is no minimum initial amount limit for opening card accounts. Interest paid on card accounts is subject to taxation in the amount determined by the RA Law on Income Tax

XVIII. To open an account, the client submits to the bank the documents provided for in the Information Bulletin of Account opening, maintenance and other services.

XIX. The bank provides the cardholder with a statement on his card account at least every thirty days, except for the case when the account was not debited or credited during the reporting period,

XX. In case of card loss/or theft, the client immediately informs the ArCa processing center at 59-22-22 or the bank to block the card, and then applies to the bank to get a new

XXI. In case of non-resolution of disputed issues between the client and the bank as a result of negotiation, the client may apply to the Financial Systems Mediator or to the court in accordance with the law.

XXII. The rights of the account holder to manage the account and the positive funds in it may be limited in the cases provided by the law, by imposing a ban on the account or stopping operations on the account based on the decision of the court, tax authorities or other bodies ensuring the enforcement of judicial acts (documented or electronic).

XXIII. Without the customer's order, the positive funds in the account can be written off in cases defined by law, based on court rulings, decisions (documentary or electronic) of bodies ensuring enforcement of court acts, or in cases stipulated by the agreement between the Bank and the client.

XXIV. Deposits are guaranteed in accordance with the RA Law "On Guaranteeing Compensation of Bank Deposits of Individuals".

• In the case of deposits in Armenian drams, up to 16.0 million drams,

• in the case of foreign currency deposits, up to 7.0 million rami,

• In the case of AMD and foreign currency deposits, if the dram deposit is greater than 7.0 million drams, only the dram deposit is guaranteed, up to 16.0 million drams.

• In the case of AMD and foreign currency deposits, if the Cash deposit is less than AMD 7.0 million, then the Cash deposit is guaranteed in full and the foreign currency deposit is guaranteed in the amount of the difference between AMD 7.0 million and the paid Cash deposit.

XXV. A list of the Bank's ATMs, Cash Dispensing POS Terminals and Cash-In Terminals, Cash In/Out Terminals/Converters and Cash-Out Converters is provided in Appendix 1.
